Mr. Rynders explained Ms. Herold will start a 3- month leave in August. The recommendation by Mr. Rynders is to increase the options for filling the vacancy by also looking to fill it with a line staff case manager/social worker position before Ms. Herold goes on leave. Ms. Carri Renchin, Social Services Manager, is temporarily supervising APS. Mr. Rynders proposed filling the position with either a line staff/case manager/social worker or Supervisor and then possibly in the Fall if there are changes in the manager structure from the Carlson Dettman study, we will offer the Supervisor position internally. A motion was made by Ms. Beseler and seconded by Mr. Michaels to approve filling the position with a case manager/social worker position on the condition that if one of the two positions is filled, the other will be taken off the table.
